Uses: Ideal for eating fresh, making juices, smoothies, desserts, ice creams, jams, and traditional mango-based recipes.

Mangoes (100% Organic Alphonso)

Rice

A white ceramic bowl filled with fluffy, cooked white rice. The bowl is centered in the lower half of the image. Above the bowl, the word "Rice" is written in a large, white, serif font. The entire scene is set against a dark, textured background, possibly a chalkboard, which is framed by a decorative, hand-drawn yellow border.

Description: Our Rice is known for its long, slender grains, delicate aroma, and fluffy texture. Grown in the foothills of the Himalayas.

Health Benefits: Low glycemic index, gluten-free, good source of energy.

Uses: Culinary staple, ingredient in various rice dishes.
Packaging: Available in various packaging options, including bulk bags, consumer packs, and customized solutions.

Description: Naturally grown and processed finger millet grains packed with essential nutrients and a distinct earthy flavor.

Health Benefits: Extremely rich in calcium, iron, and dietary fiber. It supports strong bones, aids digestion, and helps in weight management and diabetes control.

Uses: Commonly used for porridge, rotis, health drinks, baking, and various traditional Indian recipes.

Finger Millet (Ragi)

A white ceramic bowl filled with brown finger millet (Ragi) grains, set against a dark background with a decorative yellow border.
